\* Terms & conditions apply

## Terms and conditions

- Terms and conditions applicable to the Hollard Highway Heroes Competition 2019 ("Competition") conducted by Hollard Commercial Vehicles, a division of Hollard Specialist Insurance Ltd (Reg No 1966/007612/06), owned by The Hollard Insurance Co. Ltd (Reg No 1952/005004/06), both being authorised Financial Services Providers ("Promoter").
  - The Competition runs from 01 April 2019 to 15 October 2019. Entry forms for this Competition will only be accepted from 01 April 2019 to 31 May 2019. Entry forms received after 31 May 2019, during the monitoring period, will not be considered.
  - Hollard is looking for the Hollard Highway Hero for 2019. The Hollard Highway Hero will be the driver who comes out tops, in our exclusive view after the Promoter examines his telematics data and performs a technical analysis of his driving.
  - The measurement for determining the Hollard Highway Hero will include a combination of Hollard analysing the driver's data obtained from the Fleet Owner as well as analysing the driver's results over a 45- (forty-five) day telematics assessment obtained from a telematics device installed by the Promoter in the trucks of the top 50 (fifty) finalists.
  - This Competition is open to drivers ("Driver Participants") employed by fleet owners ("Fleet Owners").
  - The trucks driven by the Driver Participants must be at least 3 (three) and a half ton trucks. The trucks must have a top of the range telematics system (GPS/GRSM/Satellite unit) installed and functioning from the date of entry until submission of the telematics data. The minimum data requirement is raw data reports indicating the total count of speeding events per specified date range over the speed of 80 (eighty) kilometres per hour (km/ph) for longer than 15 (fifteen) seconds, total harsh braking count per specified date range as per the standard unit setting, the total fatigue driving day counts per specified date range (any continuous driving event over 300 (three hundred) kilometres or 4 (four) hours) and fatigue driving night counts per specified date range (any continuous driving event over 150 (one hundred and fifty) kilometres or two and a quarter hours) and total kilometres travelled for specified date range. All monitoring data should be provided weekly and within 48 (forty-eight) hours of the request being made by the Promoter and should be provided in a raw data CSV format. Should the drivers not be tagged, all reports should be accompanied by driver log books indicating which driver was responsible for which truck for the specified date range.
  - The telematics data for the Driver Participant is required in order for the Driver Participant to participate in the Competition. If the Driver Participant drives more than 1(one) truck for the Fleet Owner, the data from any and all of those trucks may be used.
  - The Driver Participants must be permanently employed by the Fleet Owner and must remain in their employ for the duration of the Competition and up until the winners are announced. Termination of employment for any reason whatsoever will result in the Driver Participant being disqualified from the Competition.
  - Participants (Driver Participants and Fleet Owners) ("Participants"/"you"/"your") must be 18 (eighteen) years or older and have a valid South African identity document or passport. Driver Participants must be permanently employed by the Fleet Owner, have a valid driver's licence and valid permits to drive the truck(s). Foreign nationality drivers can also enter the Competition should they have a valid foreign driver's licence, valid South African issued working and driving permits and identification document available.
  - Participants may not enter or receive a prize if they are directors, members, partners, employees, agents of or consultants of the Promoter, The Hollard Group of Companies or of the advertising or promotion agencies or any other person who directly or indirectly controls or is controlled by the Promoter, or their spouses, life partners, or immediate family members.
- How to enter**
- Driver Participants wishing to enter must be nominated by the Fleet Owner (their employer). All identification documents will be audited and verified should the driver advance to the top 50 (fifty) stage.
  - The onus is on the Fleet Owner to ensure consent is obtained from the Driver Participant to enter him into the Competition. Should a Driver Participant not wish to participate, the entry will be disqualified.
  - Entry forms available on [www.hollard.co.za/highway-heroes](http://www.hollard.co.za/highway-heroes) must be completed and sent to [highwayheroes@hollard.co.za](mailto:highwayheroes@hollard.co.za). Entry forms will also be available from Hollard Commercial Vehicles consultants, at selected Hollard branches.
  - Steps for the Driver Participant to be eligible for the Hollard Highway Hero analysis:  
Step 1: Completed entry form submitted, received and verified by Promoter.
  - Step 2: Fleet Owners must provide the Promoter with the telematics data and driver log books of the Driver Participant on a weekly basis during the monitoring period from 01 June 2019 to 31 July 2019. All data should be provided within 48 (forty-eight) hours of the request from the Promoter.
  - Step 3: Optional extra motivation - Fleet Owner may send the Promoter a written motivation about an event or scenario where the Driver Participant acted in essence as a hero.
  - Step 4: If selected by Hollard (in their exclusive discretion) as a top 50 (fifty) Finalist, the Driver Participant must participate in a 45-(forty-five) day telematics assessment, at a time to be determined by Hollard.
  - Entry forms will be accepted until midnight on 31 May 2019. Step 2 must be completed weekly and upon request by the Promoter during the Competition period. The final day for submission of the last week's telematics information is on the 04 August 2019. Failure to submit the final week's telematics data, which is on the 04 August 2019 will disqualify the Driver Participant from the Competition.
  - Eligible entries received will be assessed throughout the Competition and 50 (fifty) Driver Participants will be shortlisted as the top 50 (fifty) finalists ("Finalists"). The Finalists will be required to participate in a 45-(forty-five) day telematics assessment. The Promoter will install a telematics system into the nominated truck of each of the Finalists and the telematics data accumulated over a 45- (forty-five) day period will be used to determine the Hollard Highway Hero winner, the runner-up, second runner-up and the fourth to tenth place prize winners (Top 10). Failure to participate in the 45- (forty-five) day telematics assessment will disqualify the Finalist from the Competition and an alternative Finalist will be selected to participate, at the Promoter's discretion. The Driver Participant must be available when required and if the Driver Participant is not available for whatever reason, he/she will forfeit the opportunity to win any prizes. All top 50 finalist telematics installations will commence within the borders of South Africa.
  - Some Driver Participants may, subject to their prior consent, be profiled on the Hollard website ([www.hollard.co.za/highway-heroes](http://www.hollard.co.za/highway-heroes)) and/or in the Hollard Commercial Vehicles newsletter and within any other media outlets/partners.
  - Should certain Driver Participants agree, the Promoter may wish to use some Driver Participants in marketing collateral by the Promoter, including but not limited to, on the Promoter's Facebook page or website. This will be without any liability to the Promoter and there will be no remuneration due and owing to the Driver Participants, Fleet Owners or any third parties.
  - Only 1 (one) entry per Driver Participant. A Fleet Owner can enter as many Driver Participants as they wish.
  - Only 1 (one) driver per company may proceed to the top 50 (fifty) stage should they qualify.
- Prizes**
- The Driver Participant who is announced as the Hollard Highway Hero will win cash to the value of R100 000.00 (one hundred thousand rand) ("Grand Prize") in his personal capacity and for his own use. The Grand Prize consists of R75 000.00 (seventy-five thousand rand) in cash and an additional R25 000.00 (twenty-five thousand rand) in cash awarded for being the winner of 1 (one) of the 4 (four) categories.

The Runner-up Prizes consist of R25 000.00 (twenty-five thousand rand) in cash.

- Determination of winners**
- The Hollard Highway Hero winner, category winners and the eleventh to fiftieth place prize winners (Top 50) will be determined within 20 (twenty) working days or as soon as reasonably possible after 15 October 2019.
  - The Promoter will make 3 (three) attempts within 72 (seventy-two) hours to contact and notify the selected winners or Finalists telephonically. If the selected winner or Finalist cannot be contacted personally after 3 (three) attempts, or if after first being contacted by the Promoter, is not reachable, or the winner fails to provide the Promoter with the required information to hand over the prize, the winner will forfeit the prize and a replacement winner will be selected from the remaining qualifying participants.
