

1st Annual
Integrated Transport Systems Conference

Dates: 13 & 14 May 2015

Venue: Indaba Hotel, Johannesburg

Dear Transport Stakeholder

Intelligence Transfer Centre invites you to attend the 1st **Annual Integrated Transport Systems** Conference scheduled to take place on **13 & 14 May 2015**, Indaba Hotel, Johannesburg.

The conference will look at adopting efficient transport models from international best practices in the quest of developing South Africa's transport system. Although drawing inspiration from international countries is ideal, it is paramount that South Africa tailors a transport system that suits our terrain, population and budget.

Mr. Jose Viegas, Secretary-General of the **International Transport Forum in France** will speak on how their organisation has accompanied its member countries to achieve some of the world's best public transport projects. In addition **Mr. Kuga Namasivayam Kugathas**, Director Planning and Design of the **Australian Capital Territory Government**, will give an outline of how the capital Canberra is implementing their integrated transport network for the next five years.

To reserve a seat email us here: bookings@intelligencetransferc.co.za
