Road Traffic Accident Investigation Conference

Date and Venue

This will be the 1st Annual Road Traffic Accident Investigation Conference held by the RTMC. The Conference will be held on Monday to Wednesday 1st to 3rd October at the Emperos Palalce, Johannesburg, Gauteng, South Africa.

Purpose of the Conference

- To create a forum where the stakeholders in road traffic accident investigations and reconstruction can meet in South Africa, share expertise and experience and be informed about the developments regarding the latest technology available in this field.
- The exhibition is designed to showcase developments regarding road traffic accident investigation and reconstruction as well as the latest technology in conducting such investigations and reconstruction to all operators in this field.

Objectives of the Conference

- Create public and media awareness regarding road traffic accident investigation and reconstruction and the necessity of accident investigations and reconstruction;
- Share South African and international experiences regarding road traffic accident investigation and reconstruction;
- Showcase the latest technologies and getting together manufacturers, suppliers, retailers, buyers, exhibitors and participants;
- Building and improving relationships with new and existing suppliers through one-on-one relationship marketing;

The themes of the conference papers are selected to stimulate debate and motivate policy decision makers, South African Police Services, Traffic Authorities, private organizations, transport planners and transport engineers to view the provision of accident investigation and reconstruction as an integral part of transport safety industry.

Attendance

Everyone in anyway connected with transport is invited, eg. Metro Police , SA Police Services, Traffic Authorities and Private Transport Company's etc.
