

THINKING BEYOND THE OBVIOUS

8-9 June 2010

Monte Casino, Johannesburg

ABOUT THE EVENT

Despite campaigns to educate road users on road safety, the death tolls on the roads are still on the rise. The promotion of safety on roads cannot be overemphasized. Of necessity, stakeholders need to be steps ahead when it comes to implementing road safety initiatives. With the world Cup fast approaching, gauging to what extent the strategies have been incorporated, and determining what still needs to be done will be the objective of this indaba.

BENEFITS OF ATTENDING

- Establish the impact the 2010 World Cup has had on road safety
- Determine the initiatives in place to ensure road safety during the World Cup
- Understand how to effectively control hazardous cargo
- Mitigate the existing risks associated with implementing road safety strategies
- Collaborating road safety initiatives with pavement construction and maintenance projects
- Creating partnerships between the private and public sector
